Two Others Are Badly Hurt.  
Gen. Torres to Help at  
Celebration.

Cananea, Mex., Sept. 9.—Jose Casanova lost his life and Eduardo Estrada and Amado Cruz were injured in an accident at the smelter.  
The men were turning a converter with a crank when the electricity was out of use temporarily, and when it was turned on again the crank was whirled about in such a manner as to throw the men some distance, the handle striking terrible blows.

### BLOCKADED

Every Household in El Paso Should Know How to Resist It.

The back aches because the kidneys are blocked.  
Help the kidneys with their work. The back will ache no more.  
Lots of proof that Doan's Kidney Pills do this.  
It's the best proof for it comes from El Paso.  
Mrs. N. J. Griner, St. Louis and Poplar streets, El Paso, Texas, says: "About three years ago while living in Carlsbad, N. M., a member of our family was suffering from Bright's disease. For over a year the person's feet and limbs were badly swollen and a severe pain in the small of the back caused much misery. Smothering spells were common and we often thought that the patient would die. Doan's Kidney Pills were finally recommended to us and I procured a box at Keity & Pollard's drug store. They proved of benefit from the first and in three or four months the patient was in better health than for years. Doan's Kidney Pills have my highest endorsement."  
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

### AMUSEMENTS.

#### OPENING OF THE MAJESTIC.

With every seat occupied at the first performance and but few empty ones at the second show, the Majestic theater opened for the season Thursday night with the best bill that has been seen there in many moons. It is also the strongest company that has ever appeared at the Majestic.  
The ceiling and walls have been redecorated and new carpet laid, while near the back, an additional exit has been built to the south alley. In the center of the theater is a large electric roller which adds to the brightness of the place.  
Prettier costumes than those worn at the initial performance have not been seen here in some time. There were three changes, the first a red and green, the second white, and the third a yellow and white, the colors in each instance being perfectly blended. From the back drop there glistened myriads of incandescent bulbs and the effect with a dark stage was most pleasing. Tals opened the performance, Miss Shattuck singing "Where the Wild Winds Cling."  
Miss Russell made a hit with her whistling, receiving several encores, and the chorus was well trained. The audience was pleased with the performance and gave evidence of its pleasure by applauding on several occasions.

### RHEUMATISM

PAINFUL & DANGEROUS

Rheumatism is due to a diseased condition of the blood cells and corpuscles, brought about by an excess of uric acid in the circulation. It is not only a very painful disease but an extremely dangerous trouble. The briny, acid state of the blood gradually forms a coating over the muscles, and by depositing a cement-like substance in the joints frequently terminates fatally, or leaves its victim a hopeless cripple. It is natural to "doctor" the spot that hurts, and it is quite right to use liniments, hot applications, etc., to get temporary relief from a painful joint or swollen tendon; but Rheumatism is not a skin disease, and such things, when depended on alone make one careless, and the disease gets a firmer hold on the blood. S. S. S. cures the disease because it is the greatest of all blood purifiers. It goes into the circulation, and removes every particle of the irritating uric acid, builds up the blood, makes it rich and oily, and in this way prepares it for proper nourishment of all joints, muscles, nerves and bones. If you have Rheumatism, get the uric acid out of the blood by taking S. S. S., a purely vegetable medicine, and enjoy freedom from its misery. Book on Rheumatism and any medical advice free to all who write.
